Reaching Europe Ministries- North Macedonia

Dear Friends and Partners in Ministry,

"Being confident of this very thing, that he which hath begun a good work in you will perform it until the day of Jesus Christ." — Philippians 1:6

What an eventful season it has been here in Skopje. The Lord is moving, and we are doing our best to keep up with Him.

The Church Plant Is Launching

This Sunday marks a milestone we have been praying and working toward for a long time — our first public Bible study at our new church plant here in Skopje. The Lord was gracious to send a group of people to help us distribute flyers inviting the community to join us. We are believing God for open hearts and a room full of people hungry for His Word. The study will meet weekly, and even as we navigate some time away, a faithful young couple here in Skopje will keep things going in our absence. We are so grateful for that provision.

A Word on the Visa Situation

I also want to keep you informed on where things stand with our residency. The business visa application was denied, though we are trusting the Lord in that. The good news is that we have been pre-approved for a humanitarian visa, and our lawyer Kristiana is working through the remaining details and paperwork. In the meantime, our current permitted days run out April 9th, and we are not able to return to Macedonia until May 12th at the earliest.

We plan to use that time wisely — visiting several other Balkan cities, praying for open doors, and looking for every opportunity the Lord gives us to share the gospel. The Balkans are our mission field, not just Macedonia, and we are excited to see what He has in store.

It is a bit of a complicated season, but we have seen the Lord work in far more impossible situations, and we are resting in His timing.

How You Can Pray

- For salvation among those who attend the Bible study at our new church plant
- For the young couple leading the weekly studies in our absence
- For the humanitarian visa to be approved quickly and without complication
- For open doors to share the gospel as we travel through the Balkans
- For wisdom and peace as we navigate this transitional stretch

Thank you for standing with us. Your prayers and support make this work possible, and we do not take that lightly. We are pressing forward by faith, confident that the One who called us here is more than able to see it through.

For His glory and the Balkans,

Jason
