10 DAY JOURNEY OF FAITH AND MISSIONS

Dear Friend,

Lately, I've found myself coming back again and again to Jesus' words:

"The harvest truly is plenteous, but the labourers are few…" (Matthew 9:37, KJV)

That's been a very real prayer for us.

Last summer in Macedonia, we saw God quietly but clearly at work. We had conversations with people who had never heard the gospel explained simply. We met individuals who were curious, thoughtful, and genuinely open — not hostile, just unreached. It reminded us how great the need really is, and how much opportunity the Lord has placed before us.

👀 If you have a few minutes, I'd love for you to watch a short video from last year's trips:

As you watch, I'd encourage you not to think in terms of ability or experience. Just ask the Lord a simple question:

"Is this something You'd want me to pray about more seriously?"

This coming summer, we'll be hosting three missions trips to Macedonia, with room for 12 people on each trip. We're not looking for experts or seasoned missionaries — just believers who are willing to serve, learn, and step into conversations the Lord opens.

🤝 Some who come have never been on a missions trip before. Others simply sense the Lord stretching them. All of us are learning as we go.

There's no pressure here. Truly.

This email isn't asking for a commitment — just prayer.

🙏 If you feel even a small nudge to explore further, the next step is simply a short interest text at 937-723-1710. It's a chance to ask questions, hear more details, and pray together about whether this might be a good fit.

Thank you for praying for the work in Macedonia — and for praying honestly about your own place in it. However the Lord leads you, we're grateful to be part of this together.

In Christ,
