

Reaching Europe Ministries

Church planting in Macedonia

Dear Pastor and Church,

Please continue to pray for us as we travel and share the great need for the gospel in Europe. I always enjoy sharing the need for more workers in the fields of Europe. We have been very busy traveling and preaching these past few months and praise the Lord we have several new churches partnering with us. Please pray for safety and security in our travels.

I recently meet Caleb Garraway an evangelist who has put together a gospel film. I used this film as the foundation for a Facebook Ad and sent it into Macedonia. Hundreds of folks watched as a result and one man reached back out to me. Dejan is his name. Several prayer letters ago I mention Kumanovo as one of the cities in Macedonia and this is where he lives. So thank you for praying for this city. We are texting and building a friendship. Praise the Lord for the ability to reach people from afar using tech.

Senja a few weeks ago flew to Massachusetts for her uncle's funeral, This was a very quick trip as it was in the middle of a Missions conference in Mississippi. While she had great flights she did come back with a great burden for her lost family. Please pray for her as she has reconnected with her family and is witnessing to them. They are in desperate need of receiving the gospel.

We are currently sitting at about 38% support. Our plan is to at 50% schedule a survey trip to North Macedonia. This would be about 90 days long. During this time we need to establish an NGO that will allow us to serve long-term in the country. I am praying that this trip will be late this fall. There is a lot going on in the ministry and I am thankful for the opportunity the Lord has given me to serve him. **PLEASE pray that the Lord will protect us from the enemy as he is trying to undermine the work.**
