Ministry Help Wanted-Trip Updates

Dear Pastor and Church Family,

I want to give you a quick update on our summer plans. Things have shifted — some trips canceled, several speaker arrangements fell through, and we lost a dear friend. But we're not discouraged. We're recalibrating and digging deeper locally. Our focus this summer is what we're calling the "Summer of Contact." We're running three free 5-day English courses — each one weaves a short Bible story into the daily lessons, giving us a natural way to share the gospel with people who'd never otherwise walk through a church door. Three groups of two ladies are coming throughout the summer to lead the courses.

Regarding our Motivated for Missions trips — Trip #1 and #2 have been canceled, but Trip #3 (July 6th -17th) is still on, and we still have room for more people. No deposit needed — just reach out and we'll work out the details together.

We're praying specifically for a female translator for the English courses and a translator for our 4:30 Sunday Bible Studies. We're also trusting the Lord with an ongoing visa situation — we can't share every detail, but we'd appreciate your prayer that the doors stay open for us to remain and serve here in Macedonia. Thank you for standing with us. Your prayers and support make this work possible.

For His glory,

Jason
