MANN FAMILY

Reaching Europe Ministries- North Macedonia

Ministry Updates

The Lord continues to open doors for the gospel in North Macedonia and throughout the Balkans.

Recently, a young lady from our church in Texas joined us for the summer. To help her connect with local women, we ran a simple Facebook ad inviting ladies to meet for coffee. Within a three-mile radius of our church location in Skopje, the ad generated over 41,000 views, reached more than 14,000 people, and resulted in 117 conversations for just over $100. Most importantly, every person who responded received a gospel presentation, and several coffee meetings are now taking place.

This has further confirmed our vision for digital evangelism in the Balkans. Through online outreach, we can place the gospel before thousands of people and personally follow up with those who are interested in learning more about Christ.

We also launched our English Café outreach. While 46 people signed up, only two attended the first meeting. However, the Lord is working. Over the past week, we have continued following up with both individuals and have been able to share the gospel with them in greater depth. Ministry in the Balkans often requires patience, but we are thankful for every opportunity God gives us to plant seeds.

Please continue to pray for our visa situation. Our long-term residency has not yet been resolved, and it will likely be some time before a permanent solution is in place. In the meantime, we remain committed to reaching the Balkans with the gospel through personal evangelism, discipleship, literature distribution, English outreach, and digital evangelism.

Thank you for your faithful prayers and support as we continue pressing forward for Christ.
