Church planting in Macedonia

Dear Church and friends,

It has been an exciting journey serving the Lord in the past few weeks. I've had the privilege of translating and designing Macedonian tracks, which are now printed and ready for distribution. In May, a team from my sending Church will join us in Macedonia. Our goal is to reach people with the gospel using these tracks. Please pray for the Lord's guidance and intervention, just as He did with Lydia in the book of Acts. Prayer is vital to the success of this ministry.

Additionally, we have created a coloring book depicting the story from creation to the Cross. We plan to visit Gypsy villages and distribute these books to the children. Please pray for wisdom and discernment as we go on this outreach, we need guidance from the Holy Spirit on where to go.

There are numerous open doors and opportunities to share the ministry of Macedonia. I am excited to see the Lord's work, especially as our support increases and our calendar of meetings remains full.

My family will be traveling to North Macedonia for our survey trip in just 24 days. We will spend five weeks there. Several from our church will be there as well. We will be researching our long-term visa situation and learning the needed legal requirements. Please keep us in your prayers.

One of the goals of our trip is to start planning for a Gospel campaign in 2027. Please pray for this endeavor.

On a personal note, our family is doing well. Our two oldest children are nearing the end of their first year at Pensacola Christian College. Our youngest daughter, Heidi, is completing 11th grade. It's great to see the Lord working in their lives as they serve Him.

Our son Micah will be heading to Uganda this summer to work with missionary Joe Risinger. He plans to engage in evangelism, discipleship, and mentoring young Christians in the faith for two months. Please keep him in your prayers, including provision for the trip. If you wish to contribute financially, donations can be sent to Grace Baptist Church 600 S Trinity St Decatur, Texas, 76234 c/o Micah Mann.

Thank you for your continued support of the Mann family and Reaching Europe Ministries.

In His service,
Jason
