

# *Reaching Europe Ministries*

## *Church planting in Macedonia*

Tetovo, with a population of 52,915 residents, rests at the base of the Šar Mountain. Ranking as the fifth largest city in Macedonia, it spans an area of 1,080 square kilometers and is bisected by the Pena River. With a history stretching far back, Tetovo has been home to various ethnic groups over the ages. Currently, it stands as the informal capital of a predominantly Albanian region. Around thirty percent of the population in Tetovo identifies as ethnic Macedonians. Despite its diverse cultural tapestry, there is a pressing need for the message of the gospel to reach the city and bring a message of hope and unity. Additionally, the city hosts the State University of Tetovo. Please pray for the gospel to come to this great city.

Hello friends,

I am excited to report that we are now 49.6% supported—praise the Lord! Thank you, churches, for standing behind the Mann family and Reaching Europe Ministries. Our ongoing goal is to see souls saved and homes reached across Europe with the message of the gospel. One of the items on our to-do list is to establish a non-profit foundation. This step will eventually lead to the opening of doors and opportunities in Europe to further the gospel. I am currently working on the legal aspects and organizing the necessary details for this foundation. Once this process is complete, I should be able to register in North Macedonia as a non-profit. This will not only benefit us but also provide a path for others to live and work in the ministry on a long-term basis.

Our lives are quite busy and there are many moving parts at the moment. Please keep us in your prayers for wisdom and understanding as we continue to move forward.

As I look at the calendar, I am also praying about the right time to embark on a survey trip. This trip holds a lot of goals, so please pray that the right doors of opportunity will open as we walk in faith.

Ministry in Europe is a gradual and patient endeavor, but through our faithfulness, it will yield a harvest. We truly appreciate your ongoing support and prayers.
