

Heavy Update & Prayer Request

Recently, Brother Keith Cashner unexpectedly passed away. Keith faithfully served as a missionary in the UK for nearly 17 years, and I had the privilege of knowing him personally for the past 6 years. He was a dear friend and faithful servant of the Lord, and his absence is deeply felt. I cannot remember a single conversation with him that I left without being encouraged.

Over the next several months, our lives were set to become deeply intertwined as we prepared to serve together—both in Macedonia, where he was to be a guest speaker, and in England, where I was organizing a group to serve alongside him in his church.

He labored in Carlisle, England, giving his life to reaching people with the gospel and strengthening the local church. We are trusting the Lord to give comfort, strength, and grace to his family in the days ahead.

Please pray:

- For the Cashner family, that the God of all comfort would sustain them
- For peace and strength during this difficult time
- That the Lord would continue the work in Carlisle and raise up laborers

England Trip & Reborn Booklets

In light of this loss, we are prayerfully evaluating the trip to England, as it may need to be postponed or cancelled.

Our burden for Carlisle remains strong, and we are seeking the Lord's direction on how best to move forward. We had planned to print 70,000 copies of the Reborn gospel booklet for this outreach. We are now seeking wisdom on whether to proceed or redirect. Please pray:

- For clear direction regarding the England trip
- For wisdom in the timing and use of the Reborn booklets
- That the Lord would raise up laborers for Carlisle
- That every resource would be used for the greatest eternal impact

“How then shall they call on him in whom they have not believed? and how shall they believe in him of whom they have not heard? and how shall they hear without a preacher?”

— Romans 10:14

Thank you for praying, giving, and standing with us as the gospel moves forward in Europe.

For His glory,

Jason Mann
