Church planting in Macedonia

Dear Church,

Thank you for your continual prayers as we travel and serve the Saviour. I am always surprised to see the Lord work through details. Someday in heaven when I see all the things the Lord has done I will most surely give him more praise!

I am excited to say that we are going to North Macedonia in just a few weeks. This trip has a lot of goals and things to accomplish while there. We will be in the country for 5 weeks. In Acts 13:1 the phrase “in the church” is in reference to the Holy Spirit leading the church to find from inside the church workers to go and preach the gospel. This is when Barnabas and Saul were prayed over and sent out to witness and plant churches. With this desire, I talked with my pastor and I am excited to say he is coming and 4 others as well. I am also bringing with me a friend to record our time and produce videos showing the great need in the country for the gospel. I have been privileged to be talking with others who have worked in the country or are American and living there already. Please pray for my steps to be directed as the Lord leads. Being a pioneer work there is a lot to learn and layout as the ministry set before me unfolds.

Radio outreach is a huge tool to reach others with the gospel. I am praying and learning about what is needed for this to be a reality. Would please pray about this as well? Over 50% of Europe speaks and understands English and a tool such as this would be priceless at reaching others and teaching them God's Word and seeing churches planted as a result.

There is so much going on but I ask for prayer for wisdom and guidance as we press forward. Please continue to pray for our travels, the Lord has opened many opportunities but they are all over the country. Lots of driving but lots of needs along and I pre praise the Lord for providing every mile of the way. We have had truck problems and we have seen the hand of the Lord work. It would be great to have a bigger stronger truck for the deputation ministry but as always his grace is sufficient. Thank you again for the prayers.
