## Church planting in Macedonia

Dear Church,

Thank you for your continued prayers. We have been busy traveling and preaching. I praise the Lord for each opportunity provided to proclaim the great need for labors in Europe. Each mile is a joy as each mile leads us to the goal of bringing the gospel to the lost people of Europe.

Unfortunately, the thousands of miles and many hours in the car has lead to some health complications for Jason. His sciatic nerve has been causing some great pain and each mile it seems to get worse. After an unplanned trip to the chiropractor he was advised to stop driving to fix the problem. This is not an option, but adjusting the amount of driving can be adjusted. He is working on exercises and such things trying fix and heal the problem. Please pray for this situation.

### Bringing the gospel to Europe was accomplished!

A few weeks ago I hosted a Zoom meeting with Pastors and missionaries to fellowship. Each time is a sweet opportunity to grow as we get to know each other and encourage others in Christ. On this meeting a missionary friend in Ukraine and a pastor friend in Texas met. The Ukraine missionary asked for Bibles, I was able to get 4 cases of New Testaments from Bering Previous Seed in Ohio and mail them to him in Ukraine. The pastor in Texas and his church stepped up to cover the costs. Praise the Lord.

In order to mail these boxes I used a company that only mails to Ukraine. This lead me to a small Russian grocery store in Louisville KY. The store was a step into Europe and was a very interesting experience. The owner, Alec, was very friendly. I was able to use some of his Jewish heritage and teachings to point to Jesus. Just being there and mailing Bibles, was a testimony to the Saviour. He was able to talk with the missionary in Russian and asked why he was there, of course the gospel is reason. Pray for Alec that the testimony of God's greatness will

### New Pastor

Pastor John Horn has retired and moved to South Carolina to be near his family and grandkids. Our sending church voted in 100% for Dr. Wade Prime. Senja and I have been able to spend a little time with him. As time goes on I look forward to working with him together to reaching Europe with the gospel. He is the church's second pastor. Please pray as he continues to lead in service to the King.
